Executive Secretary
Department of State

MR. ROBERT B. ZOELICK
Executive Secretary
Department of Treasury

SUBJECT: NSPG on Terrorism: Follow-up Action (U)

The February 24 NSPG meeting on terrorism requires action to be taken as indicated below.

FOR STATE:

It was agreed we need to lessen the public hype surrounding hostage-taking and to reduce the political value of hostages to their captors without lessening our efforts to free Americans taken hostage. Therefore, you should submit to the NSC Staff plans of action for:

- a. dealing with publicity concerning hostage-taking and/or hostage release;
- b. dealing with hostage families and USG contacts with those families, particularly through the Hostage Control Center; and,
- c. dealing with public diplomacy efforts over the long term to get the administration's policies and approaches across to the public.

You should coordinate with other agencies as necessary. (S)

FOR STATE and TREASURY:

The IG/T should accelerate its work through the Treasury-chaired Working Group to study the financial channels and investment mechanisms used by terrorist organizations. You should recommend
